Why A New Commerce Block?

Our Commerce Department has produced leaders and change makers. But today, the infrastructure is stretched.

- ★ Overcrowded classrooms
- ★ Lack of modern teaching aids
- ★ Need for a future-ready learning space

We're building a new Commerce Block — and we invite you to help make it a reality.

“A small act of generosity can create a ripple of change that touches many lives.” – SJC Alumni Tribute Wall (2024)
